ITEM 4:

The present terms of appointment of Mr. Manish Khaitan as an Independent Director would expire on 31st March, 2021 pursuant to the provisions of Section 149 and all other applicable provisions of the Companies Act, 2013 and the rules made thereunder.

The Board at its meeting held on 27th July, 2020, in accordance to performance evaluation report and on the recommendation of Nomination and Remuneration Committee has re-appointed Mr. Manish Khaitan as an Independent Director, subject to the approval of members in the ensuing Annual General Meeting of the Company for a further period of 5(five) years commencing from 1st April, 2021. Further, he shall not be liable to retire by rotation.

The Board consider that his continued association would be immense benefit to the Company and it is desirable to continue to avail services of Mr. Manish Khaitan as an Independent Director.

Mr. Manish Khaitan has given his consent to act as an Independent Director of the Company and has furnished requisite declaration confirming that he meet the criteria of Independence as laid down in Section 149(6) of the Act and regulation 16(1)(b) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that he is not disqualified to be re-appointed under Section 164 of the Act.

In accordance to the verification made by the Company and its Nomination Committee, the aforesaid Director is not debarred from holding of official Director pursuant to any SEBI Order.

In the opinion of the Board, Mr. Manish Khaitan is independent of the management and fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder and Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 for his re-appointment as an Independent Director.

Accordingly, the Board recommends the special resolution in relation to re-appointment of Mr. Manish Khaitan as an Independent Director, for approval by the shareholders of the Company upto 31st March, 2026 pursuant to Section 149 and other applicable provisions of the Companies Act, 2013 and the Rules made thereunder set out in Item no. 4 of the Notice.

A brief profile of Mr. Manish Khaitan including nature of his expertise and shareholding in the Company are annexed to the notice.

Except Mr. Manish Khaitan, no Director, Key Managerial Personnel of your Company and their relatives, are in any way, financially or otherwise, directly or indirectly interested or concerned in the resolution.

Copy of draft letter of re-appointment setting out the terms of his re-appointment is open for inspection at the Registered Office of the Company by any members during business hours in all working days till the conclusion of the ensuing Annual General Meeting.

Item No. 5

The present term of appointment of Mrs. Suchita Chhawchharia as an Executive Director would expire on 31st March, 2021. Due to extensive involvement in the business affairs of the Company, the Board of Directors at its meeting held on 27th July, 2020 has re-appointed Mrs. Suchita Chhawchharia as an Executive Director, subject to the approval of members by a special resolution in the ensuing Annual General Meeting of the Company, for a further period of 3 (three) years commencing from 1st April, 2021 on such terms and conditions as recommended by the Nomination and Remuneration Committee in its meeting held on 27th July, 2020 and as approved by the Board are as follows -

A. Salary: Rs. 15,000/- per month.

B. Other Terms :

- (i) The Executive Director, as long as she functions as such, shall not be paid any sitting fee for attending meeting of the Board of Directors of any Committee thereof.
- (ii) Either party may terminate the agreement by giving 3 (Three) months notice to other party in writing or remuneration in lieu thereof without showing any reason.

Mrs. Suchita Chhawchharia shall not be liable to retire by rotation unless any of the provisions of the Act requires her retirement by rotation during her tenure as an Executive Director.

Mrs. Suchita Chhawchharia is Promoter- Executive Director of the Company and aged about 41 years, has completed her MBA in marketing from Pune and has vast experience in the financial sector. Presently she is associated with the Company as an Executive Director and looking after all the overall business operation of the Company. The Board felt that her association with the Company for managing whole of the affairs of the Company would further contribute in the performance of the Company and accordingly proposed for her appointment.

Mrs. Suchita Chhawchharia does not hold any equity shares of the Company.

In view of the provision of Section 197(3) and Part II of Schedule V of the Companies Act, 2013 where in any financial year during the currency of tenure of a managerial personnel, a Company has no profit or its profit are inadequate the appointment of a person as managerial personnel is to be approved by the members by passing a special resolution.

A Statement as per Schedule V (third proviso of Section II of Part II) in respect of appointment of Mrs. Suchita Chhawchharia as an Executive Director is annexed hereto which forms part of this explanatory statement.

Except Mrs. Suchita Chhawchharia, none of the Directors or any Key Managerial Personnel or their relatives is in any way, financially or otherwise, directly or indirectly concerned or interested in the aforesaid resolution.

The Board recommends the special resolution as set forth in Item no. 5 for the approval of the members of the Company.

The letter of appointment issued to Mrs. Suchita Chhawcharia setting out the terms of her appointment is open for inspection by the members at the Registered office of the Company during business hours on all working days except Saturday and also at the venue of the Annual General Meeting in physical mode.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This Management Discussion and Analysis report has been prepared in compliance with the requirements of Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 and contains expectations and projections about the strategy for growth, product development, market position, expenditures and financial results. The Company's actual results, performance or achievements could differ from those projected in such forward looking statements on the basis of any subsequent development, information or events for which the Company do not bear any responsibility.

a) Opportunities and threats/Risk and concerns:

Your Company's growth and profitability are dependent on the functioning of Commodity & Capital Markets. Your Company expects a favorable market in the years to come. Your Company on its part is also well poised to seize new opportunities as they come.

b) Segment wise or product wise performance:

The Company is engaged primarily in the business of trading activities accordingly there are no separate reportable segments. In view of the slackened economy there has been a substantial decline in the commodity trading. In its Endeavour to look for better opportunities, the Company has now entered into different commodity trading.

c) Outlook:

Your Company is making all efforts to accelerate the growth of its business. In spite of the market risk faced by your Company, your Directors are optimistic about the future prospects of the Company.

The Company is taking appropriate steps to keep the costs under control. The outlook for the current year remains positive.

d) Internal control systems and their adequacy:

Your Company has an adequate system of internal control, which provides reasonable assurance with regard to safeguarding the Company's assets, promoting operational efficiency and ensuring compliance with various statutory provisions. The Audit Committee of the Board plays a significant role in the internal control system and reviews the scope of internal audit work and internal Audit reports, financial performance of the Company and suggests improvements in the internal control systems wherever required.

e) Discussion on financial performance with respect to operational performance:

The Company has prepared its accounts under Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 ("the Act").

During the year under review the Company received dividend of Rs. 1,38,860 as compared to Rs. 1,19,113 in the previous year. The interest income during the year was Rs. 7,29,262 as against Rs. 7,69,263 in the corresponding previous year. The Company earned capital gains of Rs. 4,11,925 compared to Rs. 10,09,868 in the corresponding previous year. The unrealized gains booked for the year is Rs. 14,70,151 as against Rs. 15,69,610 in the immediately preceeding previous year. The trading activities of the Company resulted in a loss of Rs. 17,23,339 during the year as compared to a loss of Rs. 2,19,695 during the previous year.

The Company has assessed the impact of COVID-19 on its financial statements based on the internal and external information up to the date of approval of these financial statements. There is a substantial impact on the value of investments and stocks as on 31.03.2020. However, the management expects to recover the carrying amounts of its investments and stocks and as such this will not impact the "going concern" status of the company. The company will continue to monitor the future economic conditions and update its assessment.

f) Developments in Human Resources

The Company believes that its human resources as core strength. While the technology and product is fairly standardized in the present scenario, the results achieved by the Company are related primarily to the talent, spirit, commitment and contribution of its employees at all levels.

The Company consistently nurtures a transparent and empowered work environment, which fosters meritocracy and incentivizes employees for high levels of delivery.

There were 5 permanent employees on the rolls of Company as on 31st March, 2020.

g) Cautionary statement:

Statement made in this section of the report is based on the prevailing position in the market conditions. Actual results could however differ materially from those expressed or implied with regard to Company's Outlook and Performance.

Independent Auditor's Report

To the Members of ADARSH MERCANTILE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying Standalone Financial Statements of **ADARSH MERCANTILE LIMITED** ('the Company'), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its loss including other comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Emphasis of Matter

3. We draw attention to note no 26 of the Standalone Financial Statements as regards to the management evaluation of COVID-19 impact on the present and future performance of the company.

Further, due to the prevailing COVID-19 pandemic, the Government has ordered lock down whereby the physical movement has been restricted and as a law abiding professional, our firm is in complete compliance of the same. Thus, we could not visit the Company's office and as a result the whole audit has been conducted from a remote location through electronic media. In view thereof, no physical verification or inspection of the relevant documents and records could be possible and as

such we have relied upon the soft and scanned copies of documents and the information made available to us electronically.

Our opinion is not modified with respect to the above matter.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined that there are no key audit matters to communicate in our report.

Information other than the Standalone Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the state of affairs (financial position), loss (financial performance including other comprehensive income), changes in equity and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going

concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
15. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of section 164(2) of the Act;
 - f) As required by section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Standalone Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
 - h) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company does not have any pending litigation which would impact its financial position as at 31 March 2020;

- ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;
- iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2020;

Annexure B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ADARSH MERCANTILE LIMITED** ("the Company") as of and for the year ended March 31, 2020 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting with reference to these Standalone Financial Statements

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these Standalone Financial Statements

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

1. Significant Accounting Policies

1.1 Overview of the Company

Adarsh Mercantile Limited ("The Company") is engaged in the business of trading of goods, mutual funds, shares and securities.

The Company is a Public Limited company incorporated and domiciled in India and has its registered office at 8A & 8B, Satyam Towers, 3, Alipore Road, Kolkata 700027. The Company has its primary listing on Bombay Stock Exchange.

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2016.

1.2 Basis of preparation of Financial Statements

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values; the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there after.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the operating cycle cannot be identified in normal course due to the special nature of industry, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in IND AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

The Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal except otherwise stated. The presentation and grouping of individual items in the balance sheet, the profit & loss statement and the cash flow statement, as well as the statement of changes in equity, are based on the principle of materiality.

1.3 Use of estimates and judgments

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note no. 1.4. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimation of uncertainties relating to the global health pandemic from Novel Coronavirus disease (COVID-19):

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues and investment in shares and securities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates, expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

1.4 Critical Accounting Estimates and Judgments

1.4.1 Property, Plant and Equipment

On date of transition, the company has adopted the optional exception in accordance with IND AS 101 to measure Property, Plant and Equipment (PPE) at fair value and assumption of the same as deemed cost. Property, plant and equipment are stated at cost of acquisition or deemed cost on the date of transition or construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. Cost of acquisition includes inward freight, duties and taxes (net of Cenvat availed), dismantling cost and installation expenses etc incurred upto the installation of the assets. An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from use. Gain or loss arising on disposal or retirement of an item of PPE is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in the statement of Profit & Loss.

Depreciation is recognised on written down value basis over the estimated useful lives (or lease term, if shorter) in accordance with Schedule II of the Companies Act, 2013.

1.4.2 Intangible Assets

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes (net of recoverable taxes) less accumulated amount of amortization and impairment losses.

1.4.3 Impairment of Non-financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher on an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.4.4 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets

Recognition and Initial Measurement:

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Classification and Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value Through Profit or Loss (FVTPL);
- Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI). Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.
- Measured at Amortized Cost: A debt instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

- Measured at FVTOCI: A debt instrument is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
 - The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on re-measurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- Measured at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

- Equity Instruments measured at FVTOCI: All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are, held for trading are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

Derecognition

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses (ECL) in associates with its debt instruments carried at amortised cost and with the exposure arising from loan commitments and other financial assets. The company recognises a loss allowance for such losses at each reporting date.

The measurement of ECL reflects:

- An unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The measurement of the ECL allowance is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. the likelihood of customer defaulting and the resulting losses).

Write-off policy

The Company writes off financial assets, in whole or part, when it has exhausted all practical recovery efforts and has conducted there is no reasonable expectation of recovery.

(ii) Financial Liabilities**Recognition and Initial Measurement:**

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings or payables, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent Measurement:

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss. Any gain or loss on derecognition is also recognized in statement of profit or loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

1.4.5 Inventories

Stock in trade is measured at Fair Value as per IND AS.

1.4.6 Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Companies satisfy a performance obligation by transferring a promised goods or service to a customer.

(i) Interest Income

Interest income is recognised using the effective interest rate

(ii) Dividend Income

Dividend income is recognised when the right to receive payment is established.

(iii) Income from investment

Profit / (loss) earned from sale of securities is recognised on trade date basis. The cost of securities is computed based on FIFO basis.

(iv) All other income are accounted for on accrual basis unless otherwise specified**1.4.7 Provisions, Contingent Liabilities and Contingent Assets, legal or constructive**

(i) Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

(ii) A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

(iii) Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

1.4.8 Employee Benefits

(i) Short term Employee benefits are accrued in the year services are rendered by the employees.

(ii) Contribution to defined contribution plans such as Provident Fund etc. is being made in accordance with the statute and are recognized as and when incurred. Contribution to defined benefit plans consisting of contribution to gratuity are determined at close of the year at present value of the amount payable using actuarial valuation techniques. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognized in other comprehensive income. Other costs recognised in the Statement of Profit or Loss.

(iii) Other long term employee benefits consisting of Leave encashment are determined at close of the year at present value of the amount payable using actuarial valuation techniques. The changes in the amount payable including actuarial gain or loss are recognised in the Statement of Profit or Loss.

1.4.9 Taxes on Income

Income Tax expenses comprise current tax and deferred tax charge or credit.

(i) Current Tax

Current tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

(ii) Deferred Tax

Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

1.4.10 Investment Property**Recognition**

Investment property shall be recognised as an asset when, and only when: (a) it is probable that the future economic benefits that are associated with the investment property will flow to the entity; and (b) the cost of the investment property can be measured reliably.

Measurement at recognition

An investment property shall be measured initially at its cost. Transaction costs shall be included in the initial measurement. The cost of a purchased investment property comprises its purchase price and any directly attributable expenditure. Directly attributable expenditure includes, for example, professional fees for legal services, property transfer taxes and other transaction costs.

Measurement after recognition

After initial recognition, an entity shall measure all of its investment properties in accordance with Ind AS 16's requirements for cost model, other than those that meet the criteria to be classified as held for sale (or are included in a disposal group that is classified as held for sale) in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations.

Transfers

An entity shall transfer a property to, or from, investment property when, and only when, there is a change in use. A change in use occurs when the property meets, or ceases to meet, the definition of investment property and there is evidence of the change in use. In isolation, a change in management's intentions for the use of a property does not provide evidence of a change in use.

Disposals

An investment property shall be derecognised (eliminated from the balance sheet) on disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from its disposal. Gains or losses arising from the retirement or disposal of investment property shall be determined as the difference between the net disposal proceeds and the carrying amount of the asset and shall be recognised in profit or loss in the period of the retirement or disposal.

1.5 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

1.6 Earnings per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

23 ACCOUNTING FOR TAXES ON INCOME

Provision for Tax is made for current and deferred taxes.

Income tax expense is recognised in the income statement except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current income tax for current period is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Taxable Income differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. Current tax assets and liabilities are set off and presented as net.

Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is measured at the tax rates that have been enacted or substantively enacted.

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

The Company has significant amount of unused tax credits, since availability of future taxable income is not certain, no provision for deferred tax assets has been made under IND AS 12 'Income Taxes'.

24 DETAILS OF DUES TO MICRO AND SMALL ENTERPRISES AS PER MSMED ACT 2006

The Company has circulated confirmation for the identification of suppliers registered under the Micro, Small and Medium Enterprises Development Act, 2006. On the basis of information available with the Company under the aforesaid Act, there are no Enterprises to whom the Company owes dues which are outstanding at year end. This has been relied upon by the Auditors.

25 VALUATION OF CURRENT ASSETS, LOANS & ADVANCES

In the opinion of the management, current assets, loans and advances have the value at which these are stated in the Balance Sheet, unless otherwise stated, and adequate provisions for all known liabilities have made and are not in excess of the amount reasonably required.

26

The outbreak of COVID-19 pandemic globally is causing a slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing and closures of non-essential services have triggered disruptions to businesses worldwide, resulting in an economic slowdown and uncertainties pertaining to future operations. The Company has considered the possible effects on its business that may result from COVID-19 on the carrying amount of receivables, other investments and financing made by the Company as on the reporting date and income to be accrued thereupon in coming years. Based on assumptions and current estimates in view of the pandemic, the Company expects that the carrying amounts of receivables and other investments will be recovered in due course of time. Also, there is no material uncertainty on the ability of the Company to continue as a going concern and there is no material event/ circumstances due to COVID-19 as on the date of approval of the Financial Statement that requires separate adjustment or disclosure.

B. Financial Risk Management

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities; process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

(i) Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, foreign currency exchange rates, equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

Foreign currency risk

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. Currently the Company does not have any foreign currency exposure.

Interest rate risk

The main business of the Company is trading in goods, shares and securities. These activities expose us to interest rate risk.

Interest rate risk is measured through earnings at risk from an earning perspective. The Company monitors the change in economic value of equity arising out of change in the Interest rate. Further, an interest rate sensitivity gap report is prepared by classifying all rate sensitive assets into various time period categories according to earliest of contracted/behavioural maturities or anticipated re-pricing date. The difference in the amount of rate sensitive assets maturing or being re-priced in any time period category, gives an indication of the extent of exposure to the risk of potential changes in the margins on new or re-priced assets. The Company monitors interest rate risk through above measures on a monthly basis.

There is borrowing availed by the company during the year as well as previous year, hence there is interest rate risk relating to financial liabilities.

Equity Price Risk

Equity price risk is related to change in market reference price of investments and stocks in equity securities held by the Company.

The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, few of these investments are not held for trading purposes. The fair value of quoted investments in equity, classified as fair value through other comprehensive income as at March 31, 2020 and March 31, 2019 was Rs. 48.63 Lakhs and Rs. 93.64 Lakhs, respectively and classified as fair value through profit & Loss as at March 31, 2020 and March 31, 2019 was Rs. 19.70 Lakhs and Rs. 36.96 Lakhs, respectively.

A 10% change in equity prices of such securities held as at March 31, 2020 and March 31, 2019, would result in an impact of Rs. 6.83 lakhs and Rs. 13.06 lakhs respectively on equity before considering tax impact (cumulatively).

(ii) Liquidity Risk

Liquidity risk is the risk than an entity will encounter difficulty in meeting obligation associated with financial liabilities that are settled by delivering cash or other financial assets. The Company mitigates its liquidity risks by ensuring timely collections of its receivables and close monitoring of its credit cycle.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date:

Particulars	Carrying value	On Demand	Less than 1 year	Total
As at 31st March, 2020				
- Borrowings	33225000	3,32,25,000	-	3,32,25,000
- Trade payables	2244868	-	22,44,868	22,44,868
- Other Financial Liabilities	8,86,337	8,86,337	-	8,86,337
As at 31st March, 2019				
- Borrowings	3,05,00,000	3,05,00,000	-	3,05,00,000
- Trade payables	20,29,617	-	20,29,617	20,29,617
- Other Financial Liabilities	11,48,311	9,88,434	1,59,877	11,48,311

(iii) Credit Risk

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks.

(iv) Expected Credit Loss

Ind AS 109 outlines a 'three stages' model for impairment based on changes in credit quality since initial recognition as summarized below. The objective of the impairment requirements is to recognize life time expected credit loss (ECLs) on all financial instrument for which there have been significant increases in credit risk since initial recognition – whether assessed on an individual or collective basis.

At the reporting date, an allowance (or provision for loan and advances) is required on stage 1 assets at 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognised for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3).

The measurement of ECL is calculated using three main components:

Probability of default represents the likelihood of a borrower defaulting on its financial obligation either over the next 12 months (12M PD) or over the remaining lifetime (Lifetime PD) of the obligation.

Exposure at Default (EAD) is the total amount of an asset the entity is exposed to at the time of default. EAD is define based on the characteristics of the assets. EAD is dependent on the outstanding exposure of an assets sanctioned amount of loan and credit conversion factor for non-funded exposure.

Loan Given Default (LGD) it is part of an assets which is lost provided the assets default. The recovery rate is derive as a ratio of discounted value of recovery cash flow (incorporating the recovery time) to total exposure of amount at the time of default.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

- Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are 90 calendar days or more past due move to Stage 3 automatically.
- Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behaviour exhibit credit distress.
- Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.

The definition of default for the purpose of determining ECLs has been aligned to the RBI definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due.

28 On the basis of physical verification of assets and cash generation capacity of those assets, in the management perception, there is no impairment of assets as on 31st March, 2020.

29 Previous year figures have been reclassified wherever appropriate to confirm to current year's presentation.

Independent Auditor's Report

To the Members of Adarsh Mercantile Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Adarsh Mercantile Limited ('the Holding Company') and its associate (the Holding Company and its associate together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements and on the other financial information of the associate the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2020, and its consolidated loss performance including other comprehensive loss, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to note no 26 of the Standalone Financial Statements as regards to the management evaluation of COVID-19 impact on the present and future performance of the company.

Further, due to the prevailing COVID-19 pandemic, the Government has ordered lock down whereby the physical movement has been restricted and as a law abiding professional, our firm is in complete compliance of the same. Thus, we could not visit the Company's office and as a result the whole audit has been conducted from a remote location through electronic media. In view thereof, no physical verification or inspection of the relevant documents and records could be possible and as such we have relied upon the soft and scanned copies of documents and the information made available to us electronically.

Our opinion is not modified with respect to the above matter.

Key Audit Matter

5. Key audit matters are those matters that, in our professional judgment and based on the consideration of the report of the other auditor on separate financial statements and on the other financial information of the associate, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
6. We have determined that there are no key audit matters to communicate in our report.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

7. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

8. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The respective Board of Directors of the Holding Company included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
9. In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
10. Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures

responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

15. The consolidated financial statements includes the Group's share of net loss (including other comprehensive loss) of Rs. 5,67,938/- (loss of associate) for the year ended 31 March 2020, as considered in the consolidated financial statements, in respect of one associate whose financial statements has not been audited by us. These financial statements have

been audited by other auditor whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

16. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the report of the other auditor on separate financial statements and other financial information of the associate, we report, to the extent applicable, that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- d) in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;
- e) On the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its associate company covered under the Act, none of the directors of the Group companies covered under the Act, are disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- f) As required by section 197(16) of the Act, based on our audit and on the consideration of the report of the other auditor, referred to in paragraph 14, on separate financial statements of the associate, we report that the Holding Company paid remuneration to its respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. Further, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to one

associate company covered under the Act, since that company is not a public company as defined under section 2(71) of the Act.

- g) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, and its associate company covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A';
- h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the associate:
 - i. There were no pending litigations as at 31 March 2020 which would impact the consolidated financial position of the Group;
 - ii. The Holding Company and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its associate company covered under the Act, during the year ended 31 March 2020.

Annexure A to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated financial statements of Adarsh Mercantile Limited ("the Company") as of and for the year ended 31st March 2020, we have audited the internal financial controls over financial reporting (IFCoFR) of the company and its associate company which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its associate company incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and its associate company incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company and its associate company which are incorporated in India, IFCoFR based on our audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its associate company incorporated in India has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

Other Matters

We did not audit the IFCoFR insofar as it relates to one associate company, which is a company incorporated in India, in respect of which, the Group's share of net loss (including other comprehensive income) of Rs 5,67,938/- (loss of the associate) for the year ended 31 March 2020 has been considered in the consolidated financial statements. Our report on the adequacy and operating effectiveness of the IFCoFR for the Company, and its associate company, which is a company incorporated in India, under Section 143(3)(i) of the Act insofar as it relates to the aforesaid associate company, which is company incorporated in India, is solely based on the corresponding report of the auditor of such company. Our opinion is not modified in respect of the above matter with respect to our reliance on the work done by and the report of the other auditor.

1. Significant Accounting Policies**1.1 Group Information**

Adarsh Mercantile Limited ("the Company") is a Public Limited company incorporated and domiciled in India. Its shares are listed on Bombay Stock Exchange (BSE) of India. The Registered Office of the Company is located at 8A & 8B, Satyam Towers, 3, Alipore Road, Kolkata 700027, West Bengal. The Company is engaged in the business of trading of goods, trading and investment in shares and securities.

The Consolidated Financial Statements relate to Adarsh Mercantile Limited (the Company) and its associate. The details are as given below:

Name of Companies	Company of Incorporation/ Formation	% of Voting Power/Profit sharing as on 31.03.20	% of Voting Power/Profit sharing as on 31.03.19
Associates			
Avon Credit Pvt. Ltd.	India	31.62%	31.62%

1.2 Basis of preparation of Financial Statements

These Consolidated Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 ("the Act").

The effect of amendments to the Ind AS 115 'Revenue from Contracts with Customers' and certain amendments to existing Ind AS as notified by Ministry of Corporate Affairs are applicable w.e.f. 1st April, 2018; wherever applicable have been given effect to, there being no effect of amendments to IND AS 115.

All the Indian Accounting Standards issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparing these financial statements.

The Consolidated financial statements have been prepared on accrual basis under the historical cost convention.

Principles of Consolidation

The Consolidated financial statements comprise the financial statements of the Company and its associate. The Parent Company prepares and report its Consolidated financial statements in INR (Rs).

Investments in Associate

(i) Associates are those enterprises in which the group has significant influence, but does not have control. Investment in associates are accounted for using the equity method and are initially recognised at cost, from the date significant influence commences until the date that significant influence ceases. Subsequent changes in the carrying value reflect the post-acquisition changes in the Group's share of net assets of the associate and impairment charges, if any.

(ii) On acquisition of the investment in an associate, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

(iii) Distributions received from an associate reduce the carrying amount of the investment. Unrealised gains on transactions between the group and its associate are eliminated to the extent of the group's interest in the associate. Unrealised losses are also eliminated unless the transactions provides evidence of an impairment of the assets transferred.

(iv) When the Group's share of losses exceeds the carrying value of the associate, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Group has incurred obligations in respect of the associate.

1.3 Use of estimates and judgments

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note no. 1.4. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimation of uncertainties relating to the global health pandemic from Novel Coronavirus disease (COVID-19):

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues and investment in shares and securities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates, expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

1.4 Critical Accounting Estimates and Judgments**1.4.1 Property, Plant and Equipment**

On date of transition, the company has adopted the optional exception in accordance with IND AS 101 to measure Property, Plant and Equipment (PPE) at fair value and assumption of the same as deemed cost. Property, plant and equipment are stated at cost of acquisition or deemed cost on the date of transition or construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. Cost of acquisition includes inward freight, duties and taxes (net of Cenvat availed), dismantling cost and installation expenses etc incurred upto the installation of the assets. An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from use. Gain or loss arising on disposal or retirement of an item of PPE is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in the statement of Profit & Loss.

Depreciation is recognised on written down value basis over the estimated useful lives (or lease term, if shorter) in accordance with Schedule II of the Companies Act, 2013.

1.4.2 Intangible Assets

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes (net of recoverable taxes) less accumulated amount of amortization and impairment losses.

1.4.3 Impairment of Non-financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher on an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.4.4 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets**Recognition and Initial Measurement:**

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Classification and Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value Through Profit or Loss (FVTPL);
- Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI). Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.
- Measured at Amortized Cost: A debt instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

- Measured at FVTOCI: A debt instrument is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
 - The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on re-measurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- Measured at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

- Equity Instruments measured at FVTOCI: All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are, held for trading are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

Derecognition

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses (ECL) in associates with its debt instruments carried at amortised cost and with the exposure arising from loan commitments and other financial assets. The company recognises a loss allowance for such losses at each reporting date.

The measurement of ECL reflects:

- An unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The measurement of the ECL allowance is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. the likelihood of customer defaulting and the resulting losses).

Write-off policy

The Company writes off financial assets, in whole or part, when it has exhausted all practical recovery efforts and has conducted there is no reasonable expectation of recovery.

(ii) Financial Liabilities**Recognition and Initial Measurement:**

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings or payables, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent Measurement:

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss. Any gain or loss on derecognition is also recognized in statement of profit or loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

1.4.5 Inventories

Stock in trade is measured at Fair Value as per IND AS.

1.4.6 Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Companies satisfy a performance obligation by transferring a promised goods or service to a customer.

(i) Interest Income

Interest income is recognised using the effective interest rate

(ii) Dividend Income

Dividend income is recognised when the right to receive payment is established.

(iii) Income from investment

Profit / (loss) earned from sale of securities is recognised on trade date basis. The cost of securities is computed based on FIFO basis.

(iv) All other income are accounted for on accrual basis unless otherwise specified

1.4.7 Provisions, Contingent Liabilities and Contingent Assets, legal or constructive

- (i) Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.
- (ii) A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.
- (iii) Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

1.4.8 Employee Benefits

- (i) Short term Employee benefits are accrued in the year services are rendered by the employees.
- (ii) Contribution to defined contribution plans such as Provident Fund etc. is being made in accordance with the statute and are recognized as and when incurred. Contribution to defined benefit plans consisting of contribution to gratuity are determined at close of the year at present value of the amount payable using actuarial valuation techniques. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognized in other comprehensive income. Other costs recognised in the Statement of Profit or Loss.
- (iii) Other long term employee benefits consisting of Leave encashment are determined at close of the year at present value of the amount payable using actuarial valuation techniques. The changes in the amount payable including actuarial gain or loss are recognised in the Statement of Profit or Loss.

1.4.9 Taxes on Income

Income Tax expenses comprise current tax and deferred tax charge or credit.

(i) Current Tax

Current tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

(ii) Deferred Tax

Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

1.4.10 Investment Property**Recognition**

Investment property shall be recognised as an asset when, and only when: (a) it is probable that the future economic benefits that are associated with the investment property will flow to the entity; and (b) the cost of the investment property can be measured reliably.

Measurement at recognition

An investment property shall be measured initially at its cost. Transaction costs shall be included in the initial measurement. The cost of a purchased investment property comprises its purchase price and any directly attributable expenditure. Directly attributable expenditure includes, for example, professional fees for legal services, property transfer taxes and other transaction costs.

Measurement after recognition

After initial recognition, an entity shall measure all of its investment properties in accordance with Ind AS 16's requirements for cost model, other than those that meet the criteria to be classified as held for sale (or are included in a disposal group that is classified as held for sale) in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations.

Transfers

An entity shall transfer a property to, or from, investment property when, and only when, there is a change in use. A change in use occurs when the property meets, or ceases to meet, the definition of investment property and there is evidence of the change in use. In isolation, a change in management's intentions for the use of a property does not provide evidence of a change in use.

Disposals

An investment property shall be derecognised (eliminated from the balance sheet) on disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from its disposal. Gains or losses arising from the retirement or disposal of investment property shall be determined as the difference between the net disposal proceeds and the carrying amount of the asset and shall be recognised in profit or loss in the period of the retirement or disposal.

1.5 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

1.6 Earnings per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

23 ACCOUNTING FOR TAXES ON INCOME

Provision for Tax is made for current and deferred taxes.

Income tax expense is recognised in the income statement except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current income tax for current period is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Taxable Income differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. Current tax assets and liabilities are set off and presented as net.

Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is measured at the tax rates that have been enacted or substantively enacted.

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

The Company has significant amount of unused tax credits, since availability of future taxable income is not certain, no provision for deferred tax assets has been made under IND AS 12 'Income Taxes'.

24 DETAILS OF DUES TO MICRO AND SMALL ENTERPRISES AS PER MSMED ACT 2006

The Company has circulated confirmation for the identification of suppliers registered under the Micro, Small and Medium Enterprises Development Act, 2006. On the basis of information available with the Company under the aforesaid Act, there are no Enterprises to whom the Company owes dues which are outstanding at year end. This has been relied upon by the Auditors.

25 VALUATION OF CURRENT ASSETS, LOANS & ADVANCES

In the opinion of the management, current assets, loans and advances have the value at which these are stated in the Balance Sheet, unless otherwise stated, and adequate provisions for all known liabilities have made and are not in excess of the amount reasonably required.

- 26** The outbreak of COVID-19 pandemic globally is causing a slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing and closures of non-essential services have triggered disruptions to businesses worldwide, resulting in an economic slowdown and uncertainties pertaining to future operations. The Company has considered the possible effects on its business that may result from COVID-19 on the carrying amount of receivables, other investments and financing made by the Company as on the reporting date and income to be accrued thereupon in coming years. Based on assumptions and current estimates in view of the pandemic, the Company expects that the carrying amounts of receivables and other investments will be recovered in due course of time. Also, there is no material uncertainty on the ability of the Company to continue as a going concern and there is no material event/ circumstances due to COVID-19 as on the date of approval of the Financial Statement that requires separate adjustment or disclosure.

B. Financial Risk Management

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities; process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

(i) Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, foreign currency exchange rates, equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

Foreign currency risk

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. Currently the Company does not have any foreign currency exposure.

Interest rate risk

The main business of the Company is trading in goods, shares and securities. These activities expose us to interest rate risk.

Interest rate risk is measured through earnings at risk from an earning perspective. The Company monitors the change in economic value of equity arising out of change in the Interest rate. Further, an interest rate sensitivity gap report is prepared by classifying all rate sensitive assets into various time period categories according to earliest of contracted/behavioural maturities or anticipated re-pricing date. The difference in the amount of rate sensitive assets maturing or being re-priced in any time period category, gives an indication of the extent of exposure to the risk of potential changes in the margins on new or re-priced assets. The Company monitors interest rate risk through above measures on a monthly basis.

There is borrowing availed by the company during the year as well as previous year, hence there is interest rate risk relating to financial liabilities.

Equity Price Risk

Equity price risk is related to change in market reference price of investments and stocks in equity securities held by the Company.

The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, few of these investments are not held for trading purposes. The fair value of quoted investments in equity, classified as fair value through other comprehensive income as at March 31, 2020 and March 31, 2019 was Rs. 48.63 Lakhs and Rs. 93.64 Lakhs, respectively and classified as fair value through profit & Loss as at March 31, 2020 and March 31, 2019 was Rs. 19.70 Lakhs and Rs. 36.96 Lakhs, respectively.

A 10% change in equity prices of such securities held as at March 31, 2020 and March 31, 2019, would result in an impact of Rs. 6.83 lakhs and Rs. 13.06 lakhs respectively on equity before considering tax impact (cumulatively).

(ii) Liquidity Risk

Liquidity risk is the risk than an entity will encounter difficulty in meeting obligation associated with financial liabilities that are settled by delivering cash or other financial assets. The Company mitigates its liquidity risks by ensuring timely collections of its receivables and close monitoring of its credit cycle.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date:

Particulars	Carrying value	On Demand	Less than 1 year	Total
As at 31st March, 2020				
- Borrowings	3,32,25,000	3,32,25,000	-	3,32,25,000
- Trade payables	22,44,868	-	22,44,868	22,44,868
- Other Financial Liabilities	8,86,337	8,86,337	-	8,86,337
As at 31st March, 2019				
- Borrowings	3,05,00,000	3,05,00,000	-	3,05,00,000
- Trade payables	20,29,617	-	20,29,617	20,29,617
- Other Financial Liabilities	11,48,311	9,88,434	1,59,877	11,48,311

(iii) Credit Risk

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks.

(iv) Expected Credit Loss

Ind AS 109 outlines a 'three stages' model for impairment based on changes in credit quality since initial recognition as summarized below. The objective of the impairment requirements is to recognize life time expected credit loss (ECLs) on all financial instrument for which there have been significant increases in credit risk since initial recognition – whether assessed on an individual or collective basis.

At the reporting date, an allowance (or provision for loan and advances) is required on stage 1 assets at 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognised for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3).

The measurement of ECL is calculated using three main components:

Probability of default represents the likelihood of a borrower defaulting on its financial obligation either over the next 12 months (12M PD) or over the remaining lifetime (Lifetime PD) of the obligation.

Exposure at Default (EAD) is the total amount of an asset the entity is exposed to at the time of default. EAD is define based on the characteristics of the assets. EAD is dependent on the outstanding exposure of an assets sanctioned amount of loan and credit conversion factor for non-funded exposure.

Loan Given Default (LGD) it is part of an assets which is lost provided the assets default. The recovery rate is derive as a ratio of discounted value of recovery cash flow (incorporating the recovery time) to total exposure of amount at the time of default.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

- Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are 90 calendar days or more past due move to Stage 3 automatically.
- Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behaviour exhibit credit distress.
- Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.

The definition of default for the purpose of determining ECLs has been aligned to the RBI definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due.
